

Where are our students? What are they doing?

Ana, a student in her last year bachelor is doing her internship at the Rocco Forte "Hotel de Rome" in Berlin, Germany. "As a Human Resources trainee, I am in charge of organising documents in personnel files, create new employee files, record absences for illness and vacation requests. I also control work schedules, verify them and deal with related administrative work."

Yannick, a student from the first year bachelor doing his internship in Munich, Germany at the "Novotel München City". As a receptionist, he is in charge of doing the check-ins and the check-outs of the guests, as well as collecting all the information about meetings and events organised at the hotel.

At "Relais de la Costa", a Leading Hotel of the World located in Porto Cervo, Sardinia, we can find Luca, a student in the last year bachelor. "I am doing my internship as Assistant General Manager. Relais de la Costa is a small boutique hotel. My daily tasks comprise Human Resources tasks such as salaries, organisation of staff training, contracts, etc. I also work in Finance, creating income statements, budgets, account reconciliations and much more. Finally, I also help the Reservations Department in communicating with OTA's, and prepare marketing actions to promote Relais de la Costa."

"Melía Luxembourg", welcomed Milendra, a student from the second year bachelor. He is working in the kitchen as a sous-chef for the Aqua restaurant. "I am in charge of preparing all cold foods such as starters, salads as well as desserts. I started my internship one month ago and I can already say that I learned a lot. The team is very international, which means that it gives me the opportunity to meet new people and learn from their experience."

"Currently in the second year of my bachelor I have chosen to do my internship at the Luxair Group. I am working in the Corporate Communications Department and helping out in the Events Department as well. I really enjoy the work and I am looking forward to the coming months of my internship." says Anne-Catherine.
